

**New Mexico Lottery Authority Generic Second Chance Drawing Procedures**  
*Generic Drawing Procedures Amendment #1 Version 1.0 03/29/2017*

**OVERVIEW –**

The purpose of this amendment is to update portions of section 5.0 of the procedures governing New Mexico Lottery Authority Generic Second Chance Drawing Procedures as agreed to by Scientific Games International, Inc. (SGI) and the New Mexico Lottery Authority (NMLA). All other portions of the procedures remain in full effect.

**5.0 QUALIFYING ENTRIES**

To be eligible to be entered into a drawing, a player must be registered for the NMLA VIP Club and submit a NMLA draw game ticket or a non-winning ticket from an active NMLA instant game that meets the Game Eligibility Requirements referenced in the applicable promotion rules.

To qualify for a Drawing, a player must be registered for NMLA's Program and submit appropriate information from a draw game ticket or a non-winning instant ticket from an active NMLA game that meets the eligibility requirements stated in the Official Rules and Conditions of Eligibility of the Promotion of which that Drawing is a part ("Rules"). To submit appropriate information from a non-winning instant ticket, players must enter through the Website the twelve (12) digit Ticket Number and the ten (10) digit Entry Number of the non-winning ticket; or use the mobile app to scan or manually enter the barcode printed in the play area under the latex scratch surface. To submit appropriate information from a draw game ticket, players must enter through the Website the twenty (20) digit Points & Rewards Code printed on the front of the ticket; or use the mobile app to scan or manually enter the barcode printed on the bottom of the front of the ticket.

After an Entry has been accepted, the player is not required to retain the ticket.

Once submitted, whether validly or not, all Entries and any other item submitted become the property of the Lottery.

Unless NMLA specifies otherwise, any ticket or other item mailed (unless mailing is authorized in the Promotion's Rules) or otherwise submitted to SGI in any way other than as specified in the relevant Rules shall not be eligible for participation in any Drawing and shall be disqualified, and SGI shall destroy the ticket or other item in a timely manner, after confirming with NMLA that NMLA wishes the ticket destroyed, by a method designated or approved by NMLA. Any ticket or other item mailed or otherwise delivered to NMLA in any way other than as specified in the relevant Rules is not eligible as delivered; the NMLA may, but is not required to, attempt to have any such ticket returned either as undeliverable or as delivered to the wrong address, and may write an explanation on the envelope that entry must be made via the Internet. Otherwise, the NMLA may destroy such a ticket or other item.
