

## Loading Instructions

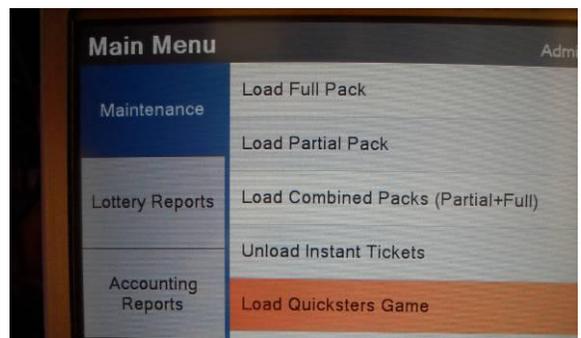

1. Log in to the Service Mode using your standard process.

2. The Main Menu should appear by default. Select **UNLOAD INSTANT TICKETS**.

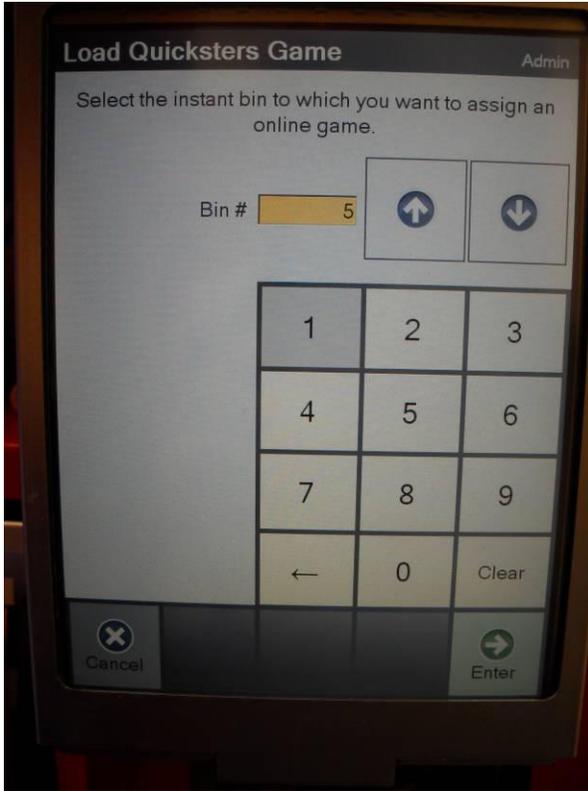

3. Select Bin 5 and unload any remaining scratchers following your standard unloading practices.
4. From the Main Menu/ Maintenance option, select **LOAD QUICKSTERS GAME**.

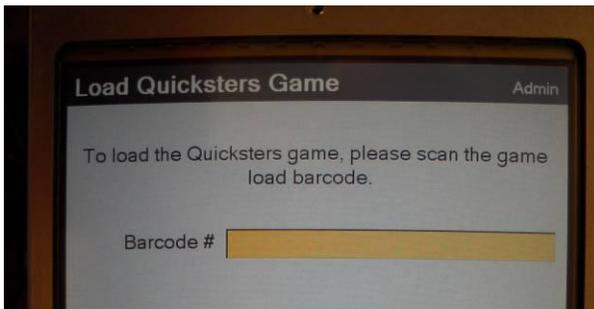

Benefitting New Mexico's Future®

CONTINUES ON BACK

- Confirm Bin 5 is selected. Select **ENTER** at the green arrow.

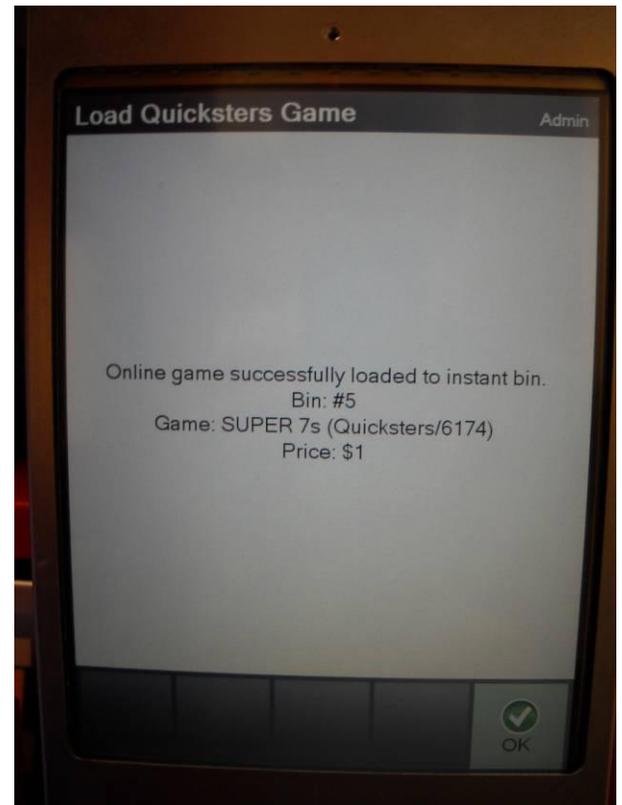

- A screen will appear with an area for loading the barcode.

- Using the barcode gun, scan the barcode on the back of the Quicksters' 4X4 insert.

- A message will appear that states that the Quicksters game has been loaded successfully. Select **OK**.

- Place the insert in the Bin 5 window.

- Print and retain the *Inventory Report* as needed or directed.

- Your Self-Service Lottery Terminal (SSLT) is now ready to sell the new Quicksters game.

- If you have any difficulty or questions, please call Lottery Customer Service (505) 342-7600 in the Albuquerque area. Outside Albuquerque, please call (800) 642-6689. For problems with the SSLT or any other Lottery sales equipment, please call Intralot at (877) 766-6636.
