

## BILLION DOLLAR CHALLENGE™ CONTEST DETAILS

The BILLION DOLLAR CHALLENGE™ promotion (the "CHALLENGE") is an event produced by Scientific Games ("SGI") in connection with participating state lotteries ("Lotteries" or "Lottery"). Grand Prize Finalists (the "Finalists") are randomly selected by participating Lotteries per the applicable state lottery's CHALLENGE rules. The total number of CHALLENGE Finalists depends upon Lottery participation levels. Finalists will receive a Lottery-sponsored trip to Las Vegas and compete in a series of contests for the chance to win cash prizes ranging from \$1,000 to a grand prize opportunity for one (1) Finalist to win a minimum \$1 million and possibly up to \$1 billion. By participating in the CHALLENGE, each Finalist agrees all decisions regarding the CHALLENGE are made at the sole and exclusive discretion of SGI and are final and binding on all Finalists.

To participate in the CHALLENGE, eligible participating Lottery ticket holders must Enter the CHALLENGE through the participating Lottery's promotional, second-chance website/app following all CHALLENGE entry rules established by the participating Lottery, be randomly selected by the participating Lottery in one (1) or more drawings from among all eligible entries received during the official entry periods and meet all participating Lottery selection and prize validation requirements. (See participating Lottery website for official entry and drawing rules.)

1. The CHALLENGE will take place in Las Vegas, Nevada, in spring 2019. The CHALLENGE date and location are to be determined and may be subject to change. Updates will be posted to the Lottery website.
2. The CHALLENGE will consist of two elimination rounds, plus one Billion Dollar Round. Elimination Round 1 will reduce the field to five (5) "Million Dollar Spin Finalists" and Elimination Round 2 will reduce the field to one (1) "Billion Dollar Finalist" who will move on to the Billion Dollar Round. The rounds will take place as follows:
  - A. Elimination Round 1: At the start of the CHALLENGE, each Finalist receives one (1) envelope; all envelopes being of identical outward appearance. The envelopes will contain the following messages:
    1. Five (5) of the envelopes contain a "GOLDEN TICKET." The Finalists revealing the "GOLDEN TICKET" move on to Elimination Round 2.
    2. Four (4) of the envelopes contain a "\$25,000" message. The Finalists revealing this message win \$25,000, less applicable withholding taxes. After the \$25,000 prize is revealed, that Finalist's opportunity to win additional money ends.
    3. Four (4) of the envelopes contain a "\$5,000" message. The Finalists revealing this message win \$5,000, less applicable withholding taxes. After the \$5,000 prize is revealed, that Finalist's opportunity to win additional money ends.
    4. Four (4) of the envelopes contain a "\$2,500" message. The Finalists revealing this message win \$2,500, less applicable withholding taxes. After the \$2,500 prize is revealed, that Finalist's opportunity to win additional money ends.
    5. The remaining envelopes contain a "\$1,000" message. The Finalists revealing this message win \$1,000, less applicable withholding taxes. After the \$1,000 prize is revealed, those Finalists' opportunity to win additional money ends.
    6. Odds of a Finalist successfully moving to Elimination Round 2 are dependent upon state Lottery participation levels.

- B. Elimination Round 2: Each of the five (5) remaining Finalists receives one (1) envelope; all envelopes being of identical outward appearance. The envelopes contain the following messages:
1. One (1) envelope contains a “GOLDEN TICKET”. The Finalist revealing the one (1) “GOLDEN TICKET” moves on to the Billion Dollar Round.
  2. Four (4) envelopes contain a “\$1 Million Spin” message. The Finalists revealing this message will advance to play the \$1 Million Spin (Spin Finalists). Each Spin Finalist will receive three separate spins of a wheel containing 24 equally sized slices. The slices contain the following messages:
    - a) Two (2) of the slices contain the words “GOLDEN TICKET” worth \$25,000.
    - b) Two (2) of the slices contain the dollar amount of \$22,500.
    - c) Five (5) of the slices contain the dollar amount of \$20,000.
    - d) Three (3) of the slices contain the dollar amount of \$15,000.
    - e) Five (5) of the slices contain the dollar amount of \$12,500.
    - f) Three (3) of the slices contain the dollar amount of \$10,000.
    - g) Four (4) of the slices contain the words “Spin Again.”
  3. Each Spin Finalist spins the wheel until he or she lands on a dollar amount slice and/or “GOLDEN TICKET” slice on three separate spins. If the Spin Finalist lands on a “Spin Again” slice, the spin does not count against the three separate spins. Each Spin Finalist wins the cumulative dollar amount and/or “GOLDEN TICKET” amount (\$25,000) indicated on each of the three separate spins with the following exceptions:
    - a) The Spin Finalist wins a total of \$100,000, if he or she lands on the “GOLDEN TICKET” slice in any two spins.
    - b) The Spin Finalist wins a \$1,000,000 annuity, if he or she lands on the “GOLDEN TICKET” slice in all three (3) spins.
- C. Billion Dollar Round: The Finalist who received the one (1) envelope containing the “GOLDEN TICKET” in Elimination Round 2 is the Billion Dollar Finalist. The Billion Dollar Finalist participates in up to three steps as follows:
1. Step 1: The Billion Dollar Finalist is presented with a one (1) in five (5) opportunity to randomly reveal a “GOLDEN TICKET” and a four (4) in five (5) opportunity to randomly reveal a \$250,000 prize.
    - a) If the “\$250,000” prize is revealed, the Billion Dollar Finalist “bankrolls” \$250,000 and automatically advances to Step 2.
    - b) If the “GOLDEN TICKET” is revealed, the Billion Dollar Finalist “bankrolls” \$500,000 and automatically advances to Step 2.
    - c) No matter which prize is randomly revealed in Step 1, the Billion Dollar Finalist automatically advances to Step 2.

- \$250,000 and the “GOLDEN TICKET” is randomly revealed, the Billion Dollar Finalist shall win a \$1,250,000 annuity and the Billion Dollar Finalist’s attempt shall conclude.

  - d) If the Billion Dollar Finalist advanced to Step 2 with a bankroll of \$500,000 (“GOLDEN TICKET”) and the “GOLDEN TICKET” is randomly revealed in Step 2, the Billion Dollar Finalist is presented with two options:
    - (1) Do not proceed to Step 3, win a \$20,000,000 annuity and the Billion Dollar Finalist’s attempt shall conclude; or
    - (2) Proceed to Step 3 and win either a \$2,500,000 annuity or a \$1,000,000,000 annuity.
  - e) Odds of the Billion Dollar Finalist successfully advancing to Step 3 are 1 in 75.
3. Step 3: The Billion Dollar Finalist is presented with a one (1) in thirty five (35) opportunity to randomly reveal a “GOLDEN TICKET” and a thirty four (34) in thirty five (35) opportunity to randomly reveal “\$2,500,000.”
- a) If the “\$2,500,000” prize is revealed, the Billion Dollar Finalist shall win a \$2,500,000 annuity and the Billion Dollar Finalist’s attempt shall conclude.
  - b) If the “\$1,000,000,000” prize is revealed, the Billion Dollar Finalist shall win a \$1,000,000,000 annuity and the Billion Dollar Finalist’s attempt shall conclude.
