Letter from the Board

Fiscal Year (FY) 2017 was a challenging year. Our players are experiencing jackpot fatigue after the record-breaking \$1.5 Billion Powerball[®] jackpot in FY 2016. Many players are now waiting for the next "big" jackpot instead of buying tickets when the jackpot is a mere \$100 million, \$200 million, etc. Sales were down for both Draw Games and Scratchers™.

Despite these challenges, the New Mexico Lottery was still able to raise \$37.8 million for the Legislative Lottery Scholarship program in FY 2017. Since inception, the New Mexico Lottery has raised more than \$738.7 million for the program. With the help of a Legislative Lottery Scholarship, 116,531 students have attended college in New Mexico and 66,076 have earned a degree.

We have continued to look for opportunities to grow. We offered retailer promotions, player promotions and a variety of different Scratchers to fit a diverse player base.

We have also continued to search for cost-effective solutions in every aspect of our business.

On behalf of my fellow board members, we would like to thank our players, legislators and the Legislative Lottery Scholarship recipients for their support as we continue to maximize revenue for education.

Sincerely,

Dan Salzwedel

Letter from the CEO

Fiscal Year (FY) 2017 was a year of innovation and exploration.

Net Sales for FY 2017 were \$126 million. Of that, we returned \$37.8 million (30%) to the Legislative Lottery Scholarship Fund.

In FY 2017, we continued our Super Tuesday Scratcher promotions – launching instant games on the first Tuesday of every month. This consistency has helped the organization to work together more efficiently. From advertising the games to shipping them out to the retailers, everyone is on the same page.

We were awarded for innovation early in the year. At its national conference, the North American Association of State and Provincial Lotteries (NASPL) recognized the New Mexico Lottery with two prestigious awards. The "Best New Instant Game of the Year" for 2016 in North America was given to our Dia de Los Muertos Scratcher. The Lottery also won a "Batchy Award" given for advertising excellence for the television ad for that game.

As always, we selected a variety of Scratcher games for our players. We brought back fan-favorite Betty Boop™ and added a new licensed game, Chia Pet®. In FY 2016, the Dia de Los Muertos Scratchers were so successful that we launched a second series of Scratchers in FY 2017 with local artist Sean Wells, called "Legends of the Southwest."

For the holiday season, we trialed an innovative concept that combined a Scratcher with a gift card. A first in the lottery industry, the "Give Some! Play Some!" game included a guaranteed \$20 virtual gift card and a \$5 Scratcher game on the same ticket.

We have also continued to pursue exciting gaming opportunities to engage our players and provide

added value. After the success of the Points and Rewards promotion in FY 2016, the Lottery extended the popular player loyalty offering through FY 2017. This fiscal year, we developed a special "Frenzy" promotion that allowed players to play an interactive game when they entered tickets from any of four Frenzy Scratcher games into Points and Rewards.

The Points and Rewards promotion also expanded to include the entry of Roadrunner Cash™ and Pick 3® tickets. This opened up the loyalty promotion to a different segment of our player base, increasing membership numbers and player loyalty.

Another opportunity for players was offered with experiential trips. This year, we held promotions for two separate trips. One trip was to the Mountain West Basketball Tournament in Las Vegas, NV and the other trip was a getaway to San Francisco, CA. (See more on page 10.)

As a way to incentivize and reward the people who sell Lottery products day in and day out, we ran three Scratcher activation promotions for our retailer partners. The winning retailers received a Lottery Wheel Spin event at their location to reward them and their players, and also to potentially bring in new players. (See more on page 11.)

As we start the next fiscal year, we will continue to explore new opportunities for our players, retailers and ultimately for the mission of the Lottery: raising funds for the Legislative Lottery Scholarship.

Thank you, David Barden

Student Count By County Fall 1997 — Spring 2017

116,531 High school graduates and GED recipients have attended college on Legislative Lottery Scholarships.

- *"Other" includes New Mexico students who graduated from a Texas or Arizona high school under a reciprocal agreement with the State Department of Education and Arizona residents on the Navajo Reservation who qualify for Legislative Lottery Scholarships
- ** "No Response" accounts for students that did not provide county information on their admission forms; this information is requested, but not required

- www.hed.state.nm.us; table represents Legislative Lottery Scholarship (LLS) draws through Spring 2017
- This report was prepared using the institution-supplied student and student financial aid files
- These figures will always differ slightly in different categories because of official reconciliation adjustments between NMHED and the various institutions
- Some students may be counted more than once because of transfers or other factors, according to NMHED
- Student count is cumulative and includes all students that were awarded a Legislative Lottery Scholarship or Lottery Disability at anytime.
- Graduates so far: non-graduates may still be enrolled, may no longer be on LLS, or may have left the institution

- Graduates and degrees may include duplicates if a student attained more than one degree — i.e., a student received an associate's degree and continued for a bachelor's degree; degrees include bachelor's, associate's, certificate and professional; several graduate students are also included because their Legislative Lottery Scholarships applied to undergraduate tuition that was part of their simultaneous graduate programs
- \$66,553,850 in Lottery revenues were allocated previously to the Public School Capital Outlay Fund for state-awarded school construction and repair grants. Following action by the New Mexico Legislature, the Lottery's contribution to this fund ended in FY 2001 and the last grants made with Lottery revenues occurred in FY 2002

Record Number of Winning Pick 3 Tickets Claimed by One Person for One Drawing

Abdel (Joe) Manasra of Albuquerque claimed \$72,500 in Pick 3 prizes on December 13, 2016. This is a record Pick 3 prize for any one New Mexico player for one drawing. Joe purchased 150 tickets for the Dec. 12th eve draw. He gave 5 of his tickets to his friend and fellow Pick 3 player, Nicolae. Both players picked their own numbers.

On April 19, 1992, Powerball® fever swept the nation. George H.W. Bush was President, Johnny Carson was planning his retirement and Hulk Hogan was the star of WrestleMania VIII. Meanwhile, Powerball took flight and inspired twenty-five years of water-cooler talk with life-changing dreams of giant jackpots. In October 1996, the New Mexico Lottery began selling Powerball tickets and joined the fun.

On April 19, 2017, Powerball celebrated its 25th anniversary with 2,610 draws and \$37 billion in prizes won, including 356 jackpotwinning tickets totaling \$19 billion. More than 2,000 Powerball players have become millionaires just in the last 5 years. New Mexico players have won five Powerball jackpots and more than 18 million New Mexico Lottery Powerball tickets have won a prize.

On April 27, 2017, the New Mexico Lottery celebrated Powerball with a player prize extravaganza at Lottery headquarters. The first 500 players, age 18 and older, received a \$10 Powerball ticket and were able to play fun games and spin the prize wheel.

DIALOS WEGENDS OF THE SOUTHWEST SCRATCHERS!

Dia De Los Muertos Scratchers were introduced in August 2015, the game was so successful that it was followed by a second series of tickets, titled "Legends of the Southwest" in August 2016.

This series of Scratchers featured Mae West, Diego Rivera and Frida Kahlo, the Roswell Alien, Pancho Villa, La Llorona and Billy the Kid. Both series of Scratchers were designed using the paintings of New Mexico artist, Sean Wells.

Ms. Wells is a fifth generation Spanish

Colonial New Mexican artist influenced by the traditional heritage art forms of the region. Her artwork has been commissioned for the Day of the Dead-themed beer labels, Cerveza de los Muertos, and the wine labels for La Catrina Vino. Wells shows her artwork at the weekly Rail Yards Market in Albuquerque and participates in the annual Traditional Spanish Market in Santa Fe.
