New Mexico Lottery Mission Statement
Maximize revenues for education by conducting a fair and honest lottery for the entertainment of the public.

## A Letter from the Board

At a time when more college students than ever need financial aid, the New Mexico Lottery raised a record $\$ 43.7$ million for Legislative Lottery Scholarships in Fiscal Year 2013.

Our sales goal for the year was $\$ 135$ million. Thanks to two record-breaking Powerball ${ }^{\ominus}$ jackpots, Scratcher ${ }^{\text {TM }}$ games that offered more opportunities to win, and exciting promotions for both players and store clerks, our net sales came to $\$ 141.8$ million.

With net sales up 6 percent from FY 2012, we were able to beat our revenue projection by more than $\$ 3$ million.

At the same time, prizes were $\$ 77.1$ million. This includes three prizes of $\$ 1$ million each and two prizes of $\$ 2$ million each.

In the past 17 years, the New Mexico Lottery has raised \$572.5 million for education and 90,083 students have attended the state's public colleges and universities on Legislative Lottery Scholarships. More than 43,000 students have already earned their college degrees.

On behalf of our staff, players, retail partners, suppliers, vendors, Gov. Susana Martinez, and legislators past and present, the New Mexico Lottery's board of directors thanks you for your continued support and encouragement. Together, we're bringing much good fortune to New Mexico.

Sincerely,
Dan Salzwedel
Chair, Board of Directors

- This report was prepared using the institutionsupplied student and student financial aid files
- These figures will always differ slightly in different categories because of official reconciliation adjustments between NMHED and the various institutions
- Some students may be counted more than once because of transfers or other factors, according to NMHED
- Graduates so far: non-graduates may still be enrolled, may no longer be on LLS, or may have left the institution
- Graduates and degrees may include duplicates if a student attained more than one degree i.e., a student received an associate's degree and continued for a bachelor's degree; degrees include bachelor's, associate's, certificate and professional; several graduate students are also included because their Legislative Lottery Scholarships applied to undergraduate tuition that was part of their simultaneous graduate programs
- $\$ 66,553,850$ in Lottery revenues were allocated previously to the Public School Capital Outlay Fund for state-awarded school construction and repair grants. Following action by the New Mexico Legislature, the Lottery's contribution to this fund ended in FY 2001 and the last grants made with Lottery revenues occurred in FY 2002

## Scratcher Sales Increased

CUNNINGNUMBERS
YOURNUMBERS

In FY 2013, Scratcher ${ }^{\text {rw }}$ sales were lifted by a strategy that included increasing low-tier prizes in $\$ 1$ and $\$ 2$ games and television advertising and promotions that gave players a second chance to win cash and merchandise with non-winning tickets.

Licensed properties also helped stimulate sales. Licensed games included Bejeweled ${ }^{\text {mw }}$, Betty Boop ${ }^{\text {mw }}$, Pink Panther ${ }^{\text {Tw }}$ and Monopoly ${ }^{\text {m" }}$.

"iViva la Fun!"
This campaign showed that Scratchers are "a fiesta of fun wherever you are!" The two TV spots begin with a person playing a Scratcher, when mariachis and flying confetti suddenly appear.

## TV Campaigns

"Winners"
This campaign focused on real players telling their winning stories.
The main message: "You can't win, if you don't play."
