In Fiscal Year 2016, the New Mexico Lottery celebrated many accomplishments, including a 20th Anniversary, record sales, a record return and a record jackpot.

In the past 20 years, 109,986 New Mexican students attended college and 59,048 earned their college degrees from a New Mexico state college/university with help from Legislative Lottery Scholarships.

In Fiscal Year 2016, New Mexico Lottery players raised \$46.3 million for the state's Legislative Lottery Scholarship program. This is the highest return to the Legislative Lottery Scholarship program ever, and brings the total amount raised for education since 1996 to more than \$700 million. Part of this success was due to a record Powerball® jackpot of \$1.586 billion. The other part was due to numerous initiatives that

led to an increase in Scratcher<sup>™</sup> sales.

Although we would like to continue on this high note, we realize that current issues may impede our efforts. However, we will continue to maximize revenue for the Legislative Lottery Scholarship program and continue to raise the bar for education in New Mexico.

On behalf of my fellow board members, I would like to thank players for choosing to spend their entertainment dollars with the New Mexico Lottery. I also encourage players to continue to support higher education in New Mexico. It is greatly appreciated.

Thank you, Dan Salzwedel

Fiscal Year (FY) 2016 was a year of records and accomplishments.

### Record Powerball jackpot

Powerball® and Mega Millions® ticket sales are jackpot driven. So, when a jackpot grows to incredible proportions, sales skyrocket. In January 2016, the Powerball jackpot grew to a world record of \$1.586 billion resulting in unprecedented sales nationwide.

### Highest Overall Record for Sales in one week

Between January 10 and 16, 2016, New Mexico Lottery retailers sold \$9,026,498 million in Powerball tickets, contributing to the new record of \$11,099,225 in sales for one week.

### Highest Overall Sales in a Fiscal Year

Along with several successful initiatives to increase Scratcher<sup>™</sup> sales, the sales from the record-breaking jackpot helped to create the New Mexico Lottery's highest sales year ever – \$154.3 million.

### **Highest Return Ever**

One hundred percent of New Mexico Lottery net proceeds fund the Legislative Lottery Scholarship program. So, with a record-breaking year in sales, New Mexico raised its highest return ever to the Legislative Lottery Scholarship program — \$46.3 million.

### Launched New Website

FY 2016 was a year of change and accomplishments in other areas, too. The Lottery's website, www.nmlottery.com, was

completely rebuilt and relaunched. The new site adapts to user screen size and allows staff to update content quickly and efficiently.

# NASPL "Best New Instant Game of the Year" (2016) for "Dia de Los Muertos" Scratchers

We are so proud to have teamed up with local artist, Sean Wells, to produce a new series of Scratchers named "Dia de Los Muertos." These colorful tickets have been loved by players and have garnered national attention. See page 16 for the full story.

### 20th Anniversary

Since the Lottery began on April 27, 1996, approximately \$2.6 billion in tickets have been sold and more than \$1.4 billion in prizes have been won.

For the past 20 years, the Lottery has been very proud to help raise funds for New Mexico education and help students get a college degree.

We thank our players, legislators and the Legislative Lottery Scholarship recipients for allowing us to be a part of your lives and we look forward to continuing to maximize revenue for education.

- This report was prepared using the institution-supplied student and student financial aid files
- These figures will always differ slightly in different categories because of official reconciliation adjustments between NMHED and the various institutions
- Some students may be counted more than once because of transfers or other factors, according to NMHED
- Student count is cumulative and includes all students that were awarded a Legislative Lottery Scholarship or Lottery Disability at anytime.
- Graduates so far: non-graduates may still be enrolled, may no longer be on LLS, or may have left the institution
- Graduates and degrees may include duplicates if a student attained more than one degree — i.e., a student received an associate's degree and continued for a bachelor's degree; degrees include bachelor's, associate's, certificate and professional; several graduate students are also included because their Legislative Lottery Scholarships applied to undergraduate tuition that was part of their simultaneous graduate programs
- \$66,553,850 in Lottery revenues were allocated previously to the Public School Capital Outlay Fund for state-awarded school construction and repair grants. Following action by the New Mexico Legislature, the Lottery's contribution to this fund ended in FY 2001 and the last grants made with Lottery revenues occurred in FY 2002

# **New Mexico Lottery Turns 20!**

On April 27, 2016, the New Mexico Lottery celebrated its 20th anniversary.

Since its launch, the New Mexico Lottery has sold approximately \$2.6 billion in tickets with prizes of more than \$1.4 billion. And, New Mexico Lottery sales resulted in many positive economic impacts, among which were:

- 31 prizes of \$1 million or more including five Powerball® jackpots totaling \$317.7 million;
- \$176.7 million in retail commissions;
- \$27.5 million in state taxes from prize winnings;
- 109,986 Legislative Lottery Scholarship recipients; and
- 59,048 Legislative Lottery Scholarship graduates (as of Spring Semester 2016)

To kick off the year-long milestone, the Lottery created a

special anniversary logo that features a banner draped over the Lottery's roadrunner icon. The logo was displayed on Lottery advertising, including Point of Sale and digital ads throughout the year.

There was also a bonus in the Lottery's VIP Points and Rewards

promotion, where members earned 10X entries on April 27, so that the Lottery's VIP members could join in the celebration.

# Powerball® World Record Jackpot

In January 2016, Powerball broke all the records (and billboards) with a World Record Jackpot of \$1.586 billion.

And, the New Mexico Lottery broke its record for overall sales in one week. During the week of January 10–16, 2016, the Lottery sold \$11,099,225 in Lottery tickets — \$9,528,059 in Powerball tickets. That's an additional \$3.3 million for Legislative Lottery Scholarships.

During this jackpot run-up, the Lottery also had one \$2 million winning ticket, one \$100,000 winning ticket, and nine \$50,000 winning tickets.

# Scratchers Made from Scratch!

For the past 20 years, the New Mexico Lottery Graphic Designers have helped design some of the Lottery's Scratchers. Here are a few of the favorites.

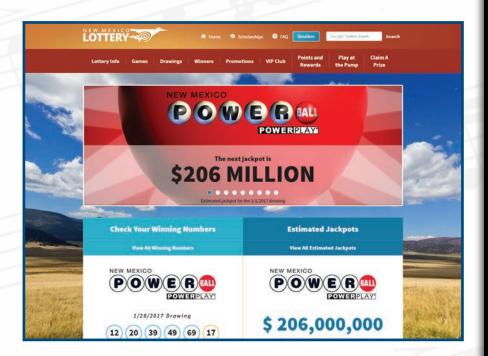

# New website

On July 27, 2015, the Lottery revealed a brand new **nmlottery.com** website.

The new website is built on a platform that allows for quick edits and updates to the site. Graphics, news stories, winner photos, promotional information, policies and other content can be posted immediately by department. Additionally, the site adjusts content to adapt to the viewer's screen size.

On December 6, the Lottery also launched a retailer portal. This site links from the Retailers page at **nmlottery.com** and allows our retailers to view reports, sales information, pack status, order details and invoices.

# **New Equipment**

On June 5, 2016, the New Mexico Lottery updated its sales terminals to new Photon Terminals (provided by Intralot) that were easy to use and sell tickets faster. The new equipment includes a touch-screen sales display that allows retailers to use their fingers or a stylus to place orders. They also feature built-in camera scanners that read play slips and bar codes. Training sessions were held around the state to help prepare Lottery retailers for the upgrade.

# VIP Club Points and Rewards

Added value is important to everyone – including our players. The New Mexico Lottery Points and Rewards promotion provides added value by offering players a chance to win a \$5,000 monthly cash prize or points for prizes.

The Points and Rewards program began in January 2015 and has grown VIP Club membership from 25,533 to 43,319 members. (That's a 69.6% increase!) And our membership continues to grow. Right now, the VIP Club is gaining approx. 500 new members each month.

In April 2016, 'Pop Up' promotions were added. These mini campaigns offer multiple entries on certain games on a specified date. They are only advertised on the day (or days) of the promotion. Ads are displayed on nmlottery.com, the Lottery's Facebook page, digital billboards, Player Advertising Displays in Lottery retailers, ticket messages

and digital ads. Messages are also sent to VIP Club members who are signed up to receive alerts.

These special days resulted in an increase of more than 9% in entries.

# Dia de Los Muertos

North American Instant Game of the Year

On August 4, 2015, for the first time ever, the New Mexico Lottery worked with a New Mexico artist to create a set of one-of-a-kind Scratchers. Titled "Dia de Los Muertos," the \$2 ticket featured six scenes and chances to win \$10,000 top prizes.

Local artist, Sean Wells, created paintings for the Scratcher scenes that were inspired by New Mexico culture, the traditions of the Day of the Dead, and the turn-of-the-century Mexican printmaker, José Guadalupe Posada. She infused Posada's festive skeleton character style with bright tissue paper backgrounds to create a vibrant New Mexico tale.

The designs represent interests that reflect the traditions and personality of New Mexico. The scenes speak to the spirit and culture of the New Mexican people.

In October 2016, the New Mexico Lottery was recognized nationally by the North American State and Provincial Lotteries (NASPL) for "Best New Instant Game of the Year" (2016) for the Dia de Los Muertos Scratchers.

Karla Wilkinson, Director of Gaming Products and 2016 Powers Award recipient, was instrumental in bringing the game to creation after noticing the work of Sean Wells in various local markets.

This is the first time Dia de Los Muertos has been featured on any Scratcher game in North America, and other states have since created their own Dia de Los Muertos tickets.

The game was so successful that the Lottery launched a second series of tickets, titled "Legends of the Southwest" in August 2016.

# **Events, in Style!**

In FY 2016, the lottery upgraded the event trolley to a mobile event truck. This drivable vehicle has everything needed to set up and sell Lottery tickets at events, including a generator for power. The art wrapping on the truck was designed, printed & installed by the lottery Graphics team.

# Limited Edition Ford Mustang Giveaway

On March 3, 2015, the New Mexico Lottery launched the "Mustang Money" Scratcher. The \$5 game offered players with non-winning tickets a chance to win a Limited Edition 2015 Ford Mustang GT manufactured to celebrate the car's 50th anniversary. In partnership with Rich Ford, an Albuquerque Ford dealer, the New Mexico Lottery was the only lottery in the world to have one of these cars to give as a prize. There were only 1,964 of these cars made (the Mustang debuted in 1964).

Three finalists were drawn from more than 45,000 entries of non-winning tickets entered into the promotion. The live grand prize giveaway event occurred on Aug. 8, 2015 at an Isotopes baseball game in Albuquerque. Three 5-foot tall Scratchers were created to look exactly like the three real Mustang Money Scratchers.

The finalists chose numbers to determine the order that they

# would choose an oversized ticket. After all 3 tickets had been claimed, all three finalists removed the "Play Areas" from their tickets at the same time to reveal their prize. The winner of the car was James Gschwind of Alamogordo. The two other finalists each received \$500.

On April 5, 2016, the New Mexico Lottery launched its biggest ticket ever, "Super Ticket™."

The ticket was 8" wide by 12" high — physically the largest ticket the New Mexico Lottery has ever sold. The game was so big, it was only sold at retailers with special on-counter dispensers.

The giant \$10 Scratcher featured four Double Diamond<sup>™</sup> play areas, 42 chances to win and top prizes of \$100,000.

It was the Lottery's best-selling Scratcher. The game was so successful that a second "Super Ticket" was launched on October 5, 2016.
