

EVERLASTING MILLION CHALLENGE™ OFFICIAL CONTEST DETAILS

The EVERLASTING MILLION CHALLENGE™ promotion (the "**Contest**") is an event produced by Scientific Games International, Inc. ("**SGI**") in connection with participating state lotteries ("**Lotteries**" or "**Lottery**"). Trip Prize Finalists (the "**Finalists**") are randomly selected by participating Lotteries per the applicable state lottery's Contest rules. The total number of Contest Finalists depends upon Lottery participation levels. Finalists will receive a Lottery-sponsored trip to Las Vegas to play a non-broadcast, lottery-winners-only series of contests (collectively, the "**Game**") for the chance to win cash prizes ranging from \$1,000 to a grand prize opportunity for one (1) Finalist to win up to a Lifetime Prize of \$1 Million a Year. By participating in the Contest, each Finalist agrees that all decisions regarding the Contest are made at the sole and exclusive discretion of SGI and are final and binding on all Finalists.

To participate in the Contest, eligible Lottery ticket holders must:

1. Be randomly selected by the participating Lottery in one (1) or more promotional, second-chance drawings from among all eligible entries received during the official entry periods;
2. Meet all participating Lottery selection and prize validation requirements; and
3. Upon validation, enter the Contest through the participating Lottery's promotional, second-chance website/app following all entry rules established by the participating Lottery. *

**(See participating Lottery website for official entry and drawing rules.)*

The Contest will take place in Las Vegas, Nevada, in or about Summer of 2022. The specific date and location of the Contest may be subject to change and should the date and location change, updates will be posted on the Lottery's website no later than ninety (90) days prior to the Contest.

The Game will consist of two (2) elimination rounds, plus one (1) GOLDEN TICKET Round. Elimination Round #1 GOLDEN EGG will reduce the field to five (5) "EVERLASTING GOBSTOPPER Finalists". Elimination Round #2 EVERLASTING GOBSTOPPER will reduce the field to one (1) "GOLDEN TICKET Finalist" who will move on to the final Round #3 GOLDEN TICKET. Each round will take place as follows:

Elimination Round #1 GOLDEN EGG:

STEP 1:

At the start of the Contest, the Finalists will be called onstage to select a numbered GOLDEN EGG that is displayed, each of identical outward appearance and weight. A Finalist will place their selected GOLDEN EGG on an "Eggdicator" (the "**Scale**") to determine whether their GOLDEN EGG is a "*Good Egg*" or a "*Bad Egg*".

- a) If the Scale determines the egg is a "*Good Egg*", a ding sound effect will be heard and the GOLDEN EGG is given back to the Finalist to hold onto, and the Finalist will move onto Step 2.
- b) If the Scale determines the egg is a "*Bad Egg*", the GOLDEN EGG will fall through a trapdoor accompanied by a 'honk-honk' sound. The Finalist will receive a \$1,000 cash prize and the Finalist's game ends.

STEP 2:

The remaining Finalists holding onto their “Good Eggs” will be instructed to simultaneously open them up to reveal a Prize Message inside. Each “Good Egg” will contain a cash prize ranging from \$2,500 to \$25,000 or one (1) of five (5) EVERLASTING GOBSTOPPER messages**.

- a) If the Prize Message indicates a cash amount, the Finalist wins the amount indicated and the Finalist’s game ends.
- b) If the Prize Message says EVERLASTING GOBSTOPPER, the Finalist will move onto Elimination Round #2.

***The odds of a Finalist successfully moving to Elimination Round #2 are dependent upon state Lottery participation levels.*

Elimination Round #2 EVERLASTING GOBSTOPPER:

STEP 1:

The five (5) Finalists will be called upon to select one (1) of five (5) WILLY WONKA theme rooms:

- The Chocolate Room
- The FIZZY-LIFTING DRINK™ Room
- The WONKAVISION™ Room
- The Inventing Room
- The Testing Room

In each theme room, there will be a recipe box (“Recipe Box”), all of identical outward appearance and weight. The Finalists will be instructed to simultaneously open their Recipe Box to reveal an envelope with a message inside.

- a) One (1) Recipe Box will contain an envelope with the “EVERLASTING GOBSTOPPER” message. A Finalist revealing the one (1) “EVERLASTING GOBSTOPPER” message will automatically move onto Round 3 and become the GOLDEN TICKET Finalist.
- b) Four (4) Recipe Boxes will contain an envelope with the “SLUGWORTH” message. A Finalist revealing this message will advance to Step 2 and play the EVERLASTING GOBSTOPPER \$1 Million Spin (“Spin Finalists”).

STEP 2:

The four (4) Spin Finalists will each receive three (3) separate spins of a wheel containing twenty-four (24) equally sized wedges. The wedges will contain the following messages:

- a) Two (2) of the wedges will contain an image of ten (10) “Golden” EVERLASTING GOBSTOPPERS and/or a dollar amount of \$25,000;
- b) Two (2) of the wedges will contain an image of nine (9) EVERLASTING GOBSTOPPERS and/or a dollar amount of \$22,500;
- c) Five (5) of the wedges will contain an image of eight (8) EVERLASTING GOBSTOPPERS and/or a dollar amount of \$20,000;
- d) Three (3) of the wedges will contain an image of six (6) EVERLASTING GOBSTOPPERS and/or a

- dollar amount of \$15,000;
- e) Five (5) of the wedges will contain an image of five (5) EVERLASTING GOBSTOPPERS and/or a dollar amount of \$12,500;
 - f) Three (3) of the wedges will contain an image of four (4) EVERLASTING GOBSTOPPERS and/or a dollar amount of \$10,000; and
 - g) Four (4) of the wedges will be labeled with the words "Spin Again."

STEP 3:

Each Spin Finalist spins the wheel until he or she lands on an EVERLASTING GOBSTOPPER wedge on three (3) separate spins. If a Spin Finalist lands on a "Spin Again" wedge, the spin does not count as one of a Finalist's three (3) separate spins. Each Spin Finalist wins \$2,500 per EVERLASTING GOBSTOPPER with the following exceptions:

- a) The Spin Finalist wins a total of \$100,000 if he or she lands on the "Golden" EVERLASTING GOBSTOPPER in any two (2) spins.
- b) The Spin Finalist wins a \$1,000,000 annuity, if he or she lands on "Golden" EVERLASTING GOBSTOPPER on all three (3) spins.

Odds of the Spin Finalist landing on the 'Golden' EVERLASTING GOBSTOPPER on all three (3) spins and winning the top prize in the EVERLASTING GOBSTOPPER Round are 1 in 1,000. At the conclusion of Step 3, the final Round #3 GOLDEN TICKET will begin.

Round #3 GOLDEN TICKET:

The Finalist who received the one (1) envelope containing the "EVERLASTING GOBSTOPPER" message in Elimination Round #2 is the GOLDEN TICKET Finalist. The GOLDEN TICKET Finalist participates in up to three (3) steps as follows:

STEP 1:

The GOLDEN TICKET Finalist is presented with five (5) envelopes to make a selection from, each of identical outward appearance and weight. The GOLDEN TICKET Finalist has a one (1) in five (5) opportunity to reveal a "GOLDEN TICKET" message and a four (4) in five (5) opportunity to reveal a \$250,000 message.

- a) If the "\$250,000" message is revealed, the GOLDEN TICKET Finalist automatically advances to Step 2 with a carry-over of \$250,000.
- b) If the "GOLDEN TICKET" message is revealed, the GOLDEN TICKET Finalist automatically advances to Step 2 with a carry-over of \$500,000.
- c) No matter which prize is revealed in Step 1, the GOLDEN TICKET Finalist automatically advances to Step 2.

STEP 2:

The GOLDEN TICKET Finalist is presented with fifteen (15) envelopes to make a selection from, each of identical outward appearance and weight. The GOLDEN TICKET Finalist has a one (1) in fifteen (15) opportunity to reveal a "GOLDEN TICKET" message and a fourteen (14) in fifteen (15) opportunity to

reveal a "4X Multiplier" message.

- a) If the GOLDEN TICKET Finalist advanced to Step 2 with a carry-over of \$250,000 and a "4X Multiplier" message is revealed, the GOLDEN TICKET Finalist shall win \$1,000,000 annuity and their game ends.
- b) If the GOLDEN TICKET Finalist advanced to Step 2 with a carry-over of \$250,000 and the "GOLDEN TICKET" message is revealed, the GOLDEN TICKET Finalist shall win a \$1,250,000 annuity and their game ends.
- c) If the GOLDEN TICKET Finalist advanced to Step 2 with a carry-over of \$500,000 and a "4X Multiplier" message is revealed, the GOLDEN TICKET Finalist shall win \$2,000,000 annuity and their game ends.
- d) If the GOLDEN TICKET Finalist advanced to Step 2 with a carry-over of \$500,000 and the "GOLDEN TICKET" message is revealed, the GOLDEN TICKET Finalist will be presented with two (2) options:
 - i) Do not proceed to Step 3, win a \$10,000,000 annuity and the GOLDEN TICKET Finalist's game ends; or
 - ii) Proceed to Step 3 and win either a \$2,500,000 annuity or a Lifetime Prize of \$1,000,000 a Year annuity.

Odds of the GOLDEN TICKET Finalist successfully advancing to Step 3 are 1 in 75.

STEP 3:

The GOLDEN TICKET Finalist is presented with thirty-five (35) envelopes to make a selection from, each of identical outward appearance and weight. The GOLDEN TICKET Finalist has a one (1) in thirty-five (35) opportunity to reveal a "Lifetime Prize of a \$1,000,000 a Year" Prize Message and a thirty-four (34) in thirty-five (35) opportunity to randomly reveal a "\$2,500,000" Prize Message.

- a) If the "\$2,500,000" Prize Message is revealed, the GOLDEN TICKET Finalist shall win a \$2,500,000 annuity and the GOLDEN TICKET Finalist's game ends.
- b) If the "Lifetime Prize of a \$1,000,000 a Year" Prize Message is revealed, the GOLDEN TICKET Finalist shall win a \$1 Million a Year annuity and the game ends.

Odds of revealing the Lifetime Prize of a \$1,000,000 a Year Prize Message in Step 3 are 1 in 35. Odds of the GOLDEN TICKET Finalist successfully advancing through the first two (2) rounds and revealing the top prize in the GOLDEN TICKET Round are 1 in 2,625.

Additional Rules and Procedures:

All Contest Rounds will be audited by an independent auditor.

The Lifetime Prize of a \$1 Million a Year will be paid as a lifetime annuity, specifically in the form of an upfront payment of \$1,000,000 with annual \$1,000,000 payments made thereafter on the anniversary of the initial upfront installment payment date for the life of the GOLDEN TICKET Finalist winner. The lifetime annuity prize payments will terminate upon the death of the GOLDEN TICKET Finalist winner; provided, however that if the GOLDEN TICKET Finalist winner dies before receiving at least \$20,000,000 in total payments, then the remaining balance (i.e., \$20,000,000 less the total amount already paid) will be paid to such winner's estate or heir(s) in one lump-sum upon presentation of proof

of death by the executor of the estate or heir(s). As an example, if the GOLDEN TICKET Finalist winner wins the \$1,000,000 a year prize but dies after receiving only a total of \$5,000,000, then the remaining balance of \$15,000,000 (i.e., \$20,000,000 less the \$5,000,000 already paid) will be paid to such winner's estate or heir(s) in one lump-sum upon presentation of proof of death by the executor of the estate or heir(s). The GOLDEN TICKET Finalist winner may elect to receive a lump-sum, one-time payment of \$40 million in lieu of the \$1 Million a Year annuity stream.

Prizes awarded during the Contest in the amount of \$1,000,000 up to \$10,000,000 shall be paid in the form of an annuity over 19 years (in 20 equal payments). Upon Lottery approval, lump sum payments may be awarded.

The minimum age requirement to play the Contest is twenty-one (21) years per Nevada State Law. If a Finalist is not 21 years of age, the Finalist shall assign a proxy to play on his or her behalf. If the Finalist does not timely assign a proxy to play on his or her behalf, SGI shall assign a proxy. A proxy must be 21 years of age or older to be eligible to play the Contest.

Selected second-chance prize winners who are selected by and contacted by a participating Lottery and fail to provide all information requested by a participating Lottery (*e.g.*, age verification, address verification, signed publicity/liability release and affidavit as to identity, etc.) in a timely fashion will forfeit all prizes and an alternate second-chance prize winner will be selected.

Prizes are not for resale and are not transferable.

Taxes are the sole responsibility of each Finalist.

Neither the Lottery, SGI, nor other companies, including, but not limited to Warner Brothers, directly associated with the Contest shall be responsible to Contest entrants or to any other person for data entry errors resulting from or caused by the entering, keying or mis-keying of the required ticket information by Contest entrants.

Employees of the Lottery, SGI or other companies associated with the Contest, as well as their immediate families (spouses, parents, siblings and children) and household members of each such employee, are not eligible to participate in the Contest.

All decisions regarding technical difficulties, mechanical failures, or human errors, including but not limited to the premature reveal of any Game material or elements, the malfunction of any piece of stage equipment or electronics or the failure of any audio equipment, in connection with the Contest will be determined by SGI in its sole discretion and shall be final and binding on all Finalists.

SGI reserves the right to change, add to, delete from, modify or amend these Contest details and procedures at any time at its sole discretion.

Odds of being selected as a Finalist vary by participating Lottery depending upon the number of eligible entries received and the number of Finalists prizes available.

The payment of cash prizes to Finalists during the Game is the sole responsibility of SGI, and the payment of all such cash prizes is underwritten by SGI and/or third-parties. Cash prizes are not considered won by a Finalist, and are not payable unless and until the third-party underwriter of such cash prizes (where applicable), SGI's Drawing Manager, and the independent Game auditor certify that the Game has been conducted appropriately and in accordance, in all material respects with the Contest

and Security Procedures, that a Finalist has validly won the cash prize pursuant to the Contest and Security Procedures and is entitled to receive the cash prize, and the third-party underwriter of such cash prize (where applicable) has accepted the obligation to pay the cash prize to the winning Finalist. Participating Lotteries shall have no liability for any cash prizes awarded in the Game.
