

New HD Scratcher!

High Definition Symbols

NEW! \$5 Cash for Christmas is the first New Mexico Lottery game to use HD Games™ technology in the play area. That means the symbols are large, crisp, and very detailed.

These new high-resolution play symbols will make scratching the ticket extra fun and special for players!

Ticket Back

Be sure to look at the ticket back! It stands out nicely because of the red ink used.

Let players know to look for the HD symbol at the top of the right hand corner of the ticket. This will let them know that game is special!
