SECURITY TIP | Paid Tickets

Previously Paid Tickets and Chargebacks to Retailers

Once a winning lottery ticket has been scanned and validated on the retailer terminal, the Lottery’s gaming system records the transaction. If the ticket is scanned again, either by the same retailer or a different retailer, the system will return a message that says, “PREVIOUSLY PAID BY YOU” or “PREVIOUSLY PAID BY OTHER.” This prevents a ticket from being paid multiple times.

If a winning ticket is returned to the player, the retailer MUST deface the ticket before giving it back to the player. If a player contacts the Lottery to claim a prize from a ticket that is returning a “PREVIOUSLY PAID” message, the Lottery will investigate whether to pay that player. If the ticket was not properly defaced, the Lottery may debit the account of the retailer who initially scanned to validate the ticket.

RETAILER PROMOTION | Shamrock Gold

Shamrock Gold Activation Promotion

Beginning Monday, February 26, 2023, retailers will automatically receive one entry for each pack of NM 543 Shamrock Gold that they activate and put out for sale by Friday February 17, 2023.

One Corporate retailer and one Independent retailer will be drawn to each win \$1,000 and up to 25 Lottery prize packs for employees of the winning retailers.
