**LETTER FROM THE CEO** | **Thank you retailers!**

David M. Barden, CEO

Dear Retail Partners,

As the holiday season is approaching, I wanted to share the deep appreciation that the New Mexico Lottery has for you, our retail partners. We know you experience many challenges in a changing retail environment, but you continue to do your part to help fund scholarships for deserving New Mexico students.

Thanks to several huge jackpots, 2023 has been a phenomenal year for Lottery sales. We've also heard from you that your players want higher price point tickets, which is why we are planning to continue the popular \$20 Scratcher games. Players have also been receptive to the many second-chance promotions offered, which add some extra value to Lottery purchases.

Also, we are proud of recently receiving a world certification for responsible gaming, which reflects on the involvement of all stakeholders in the Lottery. Responsible gaming means educating players not only about problem gambling resources, but also about how the games work, from the odds to how to play. Thank you for your ongoing support of the Lottery, including the well-being of our players.

Your efforts have uplifted our state by contributing to the Legislative Lottery Scholarship program. The New Mexico Lottery staff, our Board of Directors, and I wish you and your families a safe and happy holiday season!

David Barden  
New Mexico Lottery CEO

### ADJUSTED CALL SCHEDULES | The Holidays are Coming!

December brings fun and holidays, but that also means adjusted call schedules for your Lottery orders. The Lottery may need to adjust your call day or inventory levels to allow for holidays and UPS's adjusted delivery schedule. Please be patient and understand why you might need to increase your order or take a call on a different day than you typically would.
