March is Problem Gambling Awareness Month. This is a good time to help educate players on tips and tools for playing healthy and responsibly.

A few key messages the Lottery promotes are:

- Gambling is entertainment. If it becomes more than that, it may be time to take a break.
- Don't let gambling interfere with family, friends, or work.
- Never borrow money to gamble.
- Set a dollar and time limit and stick to it.

Healthy Play

TRUTH or MYTH:

Unpopular numbers have better odds of winning.

That's a MYTH!

For each drawing, winning numbers are randomly generated, and each drawing is independent of the others before or after it. So, for each draw, every number in a set has the same odds of matching.

The New Mexico Lottery wants to remind everyone to play healthy. If you or someone you know would like more information about Healthy Play, call 1-800-572-1142 or visit the Healthy Play webpage on nmlottery.com.
